## Volunteer Application

Volunteers are the life force of Pawsitism. They touch every aspect of our operations and provide the highest quality care for pets. This work enables us to magnify our impact and provide more service dogs to families in need.

By joining Pawsitism's team of dedicated volunteers, you'll build strong relationships with other like-minded volunteers, the animal-loving community, and of course the service dogs themselves. Working together, we can help many families connect to the world, one service dog at a time. Pawsitism and our volunteers have a chance to make a lasting impact on people's lives.

Please fill out the following if you are interested in becoming a volunteer of Pawsitism Inc.
